DIRECTIONS TO ALLIED ENERGY TERMINAL OPERATION

- I-65 (South) and exit 256 (Oxmoor/Homewood).
- Take a right (sharp turn that veers to the right).
- At the 4th red light, turn right onto Barber's Road (look for the stainless steel milk tanks on your right).
- Travel to the 3rd light (Spaulding-Ishkooda), turn left.
- Travel 2 miles and road will turn into Ishkooda-Wenonah Road.
- At the top of the hill, turn into gate #2. Push the button on the pole for service as the gate is normally closed.

DIRECTIONS TO ALLIED TRANSMIX TOWER OPERATION

- I-65 (South) and exit 256 (Oxmoor/Homewood).
- Take a right (sharp turn that veers to the right).
- At the 4th red light, turn right onto Barber's Road (look for the stainless steel milk tanks on your right).
- Travel to the 3rd light (Spaulding-Ishkooda), turn left.
- At the 1st red light (Ishkooda Road), turn right.
- Travel on Ishkooda Road and turn left on Nabors Road.
- At the split, follow on your right to Balsam Road.
- Turn left onto 28th St. SW, between Chevron and AEC Transmix Tower.
